

Village of Middlefield is moving to Monthly Billing Starting August 2017

What does this mean for you?

Smaller, more manageable payments.
More timely usage information.
Better alignment with other bills and expenses.

Why the Change to Monthly Billing?

The Village Council passed legislation to change Residential Water and Sewer billing from quarterly to monthly. Bills will be due monthly on the 28th and will reflect the previous month's usage.

Will my Bill Look Different?

Your billing period will reflect approximately 30 days rather than 90 days.
Your bill payments will be due monthly.
Your bill will include the monthly Trash/Recycling fee.

Due to the transition the April/May/June quarterly bill will be due August 10. The new monthly billing for July will be due August 28, 2017. Monthly bills will be due on the 28th of each month.

Trash/Recycling Can Exchange Day Friday, August 4, 2017

What does this mean for you?

If you would like to swap out your trash container or recycling container Contact Village Hall at 440.632.5248 or email lgambosi@middlefieldohio.com by August 3, 2017. Any changes to containers or monthly program after this date will have a \$25 Exchange fee added to the account.

Why would I need to exchange my cans?

Some residents may not want to choose to recycle, choose a smaller trash container (65 gallon instead of the 95 gallon) or are on the Bag Program and want to go on the Container Program.

What are the options available for Trash/Recycling Container Exchange Day?

Changing from the Bag Program to the Container Program
Changing from the Container Program to Bag Program
Returning Recycling Cart (*returning recycling cart does not decrease the monthly collection fee*)
